### Notice of Intent and Request for Case Update

Now comes Christopher Wheeler (Plaintiff), by and through his own resources, to bring this Prose Notice and request before this Court.

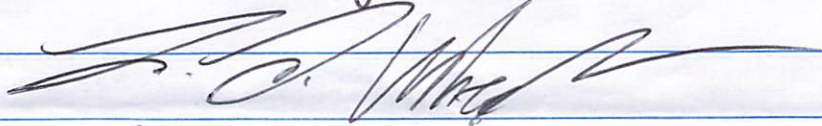

1. Plaintiff previously filed a Request to Re-add defendant Greene to this Claim. After notice and education provided by the Court. After the Court's denial of said Request, Plaintiff fully understands and accepts the Court's ruling and has no intent to take any further action to add Superintendent Green to this Claim.

2. Plaintiff received an update from this Court stating that the Cook County State's Attorney could no longer defend Officer Lyles and Private Counsel had been found. At this time, no update nor response to Plaintiff's Claim of Confirmation of appearance has been received by Plaintiff.

Respectfully, Plaintiff asks this Court to provide any and all updates available to the current address on file.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Christopher T. Wheeler". The signature is fluid and stylized, with a long horizontal stroke extending to the right.
